Index Of The Experiments Performed

S.no	Experiment Description	Page No.	Experiment Date	Submission Date	Remarks
1.	To determine and verify Z-parameters of the given two port network	1-4	24-08-20		
2.	To Calculate and verify 'Y' parameter of two port network	5-9	31-08-20		
3.	To calculate and verify 'h' parameter of two port network	10-13	07-09-20		
4.	To calculate and verify 'ABCD'³ parameters of two port network	14-17	21-09-20		
5.	Interconnection of a T-network and a pie network in cascade form and determination of ABCD parameter and verification of results	18-24	28-09-20		
6.	Interconnection of two 2-port networks in series series interconnection and determination of overall	25-29	3-10-20		
7	Interconnection of 2 two port networks in parallel-parallel interconnection and determination of overall y-parameter.	30-	17-11-20
